TALE OF A LIBERTY PIG

PATRIOTISM OF MRS. JOHN ROBERT WHITE, JR., IS WELL REWARDED

Mrs. John Robert White, Jr., is enjoying and sharing the enjoyment with her friends resulting from her thrift and patriotism in buying a baby pig several months ago when the campaign for conservation and production was at its height. Under her regular, careful feeding and fostering care the pig developed into a "porker" of goodly proportions, luscious tenderness of flesh. The neighbors say that never was a pig better tended or housed. The first cost of the infant hog, $11, seemed high, but Mrs. White is not complaining of it as too much, because she has realized a profit of $25 on the transaction besides the satisfaction of patriotic behavior. After piggie's life work was ended and he had experienced the swift and humane death that is meted out to good pigs, Mrs. White made sure that the fruits of her industry were properly preserved by "putting them down" herself in a pickling mixture prepared with her own hands according to a reliable recipe, and then to complete the process Mrs. White herself built a smokehouse that the bacon might have finishing touch and quality which proper fumigation alone can give.

The virtues of this liberty pig will not be "unheralded, unsung," because they were made known to the guests entertained by Mr. and Mrs. White last Saturday evening at the first formal party they have given this season. The triumphant "piece de resistance" of the refreshments served by the hostess was a ham sandwich made from this legacy of a lost but not forgotten pig. The guests are still talking about those sandwiches and wishing they had followed the noble example of the wife of the assemblyman.

Encouraged by her success, Mrs. White is even now talking about buying another pig in spite of the fact that the war is over. When she delicately sounded her neighbors as to whether there would be any objection to her continuing her livestock operations, they told her to "go to it," that they had not experienced the slightest annoyance from her past animal husbandry. The sword has been sheathed in victory, but the pen is still mighty, and it is probable that it will continue to be used on the White estate to assist in keeping down the high cost of living.

ATHLETIC MIX-UP

GLENDALE'S FOOTBALL TEAM TO GO AFTER SOUTHERN CALIF. LEAGUE CHAMPIONSHIP

A very peculiar situation has arisen through the tying of three schools which have been competing for the championship of the Suburban Football League. Citrus Union, South Pasadena and Glendale teams have each won and lost a game, Glendale being ahead on the score of points. Had Glendale won from Citrus Union in the last of the Suburban League games the championship of that league would have been hers and she would have been booked to play the Redlands team in the Southern California League contest. Inasmuch as that game could not be held up until the Suburban League championship was decided, representatives of the three teams got together and drew lots to determine which team should play Redlands. Glendale won in the draw and is to play at Redlands next Saturday leaving the other championship to be settled later. Should Glendale win from Redlands, its team would then play the winner of a game between Fullerton and Santa Monica teams, and should it win in that game, Glendale's team would have the Southern California League championship. But in any event after playing Redlands, whether it wins or loses, it will have to play again to determine the championship of the Suburban League. Its contestant will be the winner in a game to be played by the other two teams in the triangle, South Pasadena and Citrus Union.

There are a lot of "ifs" in the proposition and if our boys do their best and are lucky, two banners may come to Union High.

At Glendale Union High School new colors and standard were presented to the school regiment with appropriate ceremonies this morning in the last period before noon. Speeches, music, and a flag salute featured the program.

G. W. Warren, of North Maryland avenue, is leaving this morning for San Bernardino to take in the orange show for two days.

TRUSTEES' MEETING

MAKE ADJUSTMENTS IN REGARD TO CONTESTED ASSESSMENTS ON PROPERTY

The Board assembled at 8:00 p. m., Feb. 20, 1919, all members present except Trustee Jackson. The minutes of the last regular meeting were read and approved.

On motion of Trustee Shaw, it was ordered that the hearing in the matter of the Santa Paula Daily Express for permit to operate freight service through the City of Glendale be postponed until 8:00 o'clock p. m., Feb. 27, 1919.

Applications to operate motor cars for passenger service in the City of Glendale were received from John W. Kimball and from G. W. Warner; both approved by the City Manager, and, on motion of Trustee Henry, the permits were granted.

A communication was read from the City Assessor in regard to the application of Wm. R. Adams for tax exemption on the ground of service in the Spanish War. The Assessor stated that Mr. Adams did not secure possession of the property upon which he desires exemption until April 16, 1918. The application was referred to the City Attorney, who later reported to the effect that Mr. Adams not being in possession of the property on March 1, 1918, when the assessment was made, was not entitled to exemption and on motion of Trustee Muhleman his application was denied.

A communication was read from the City Council of the City of Los Angeles accompanied by a copy of a proposed act to amend the Vehicle Act of May 10, 1915, covering the disposition of registration and license fees, fines and forfeitures collected under the provision of said act. The request was made in the communication that the city authorities of Glendale give their approval to the bill and exert themselves to secure its adoption by the Legislature. On motion of Trustee Shaw, it was referred to the Committee of the Whole.

The report of the Tax Collector for the week ending on this date showing collections amounting to $407.90, was received and ordered to be filed.

The City Manager reported the sale of a horse belonging to the city for the sum of $75.00. He reported the work on the Improvement of Broadway is progressing satisfactorily.

The City Manager requested that if possible a transfer of funds be made from the Sycamore Canyon Road opening and widening fund to the General Service fund, to reimburse the City for expenditures already made. The City Attorney advised against making the transfer and no further action was taken in reference to the matter.

The City Manager reported that he had inquiry from a prospective buyer as to the price the City would ask for a lot on East California St., which had formerly belonged to the Verdugo Pipe & Reservoir Co. and had been acquired by the City who purchased the property of that company. Further information being desired on the subject no action was taken.

The City Attorney reported in regard to the application of Mr. Pelanconi for refund of taxes. The Tax Ordinance No. 14 provides that taxes erroneously assessed and collected may be refunded by the Board of Trustees; and recommended that a refund be made to Mr. Pelanconi upon his filing the necessary affidavit. On motion of Trustee Muhleman, the recommendation of the City Attorney in this matter was concurred in and it was ordered that a refund of taxes, paid by Mr. Pelanconi, be made to him in accordance therewith.

Concerning the claim of Mrs. Rose Haller for refund of taxes on the ground that she had been assessed for certain improvements which were not upon the property, the City Attorney also advised that a refund be made, and, on motion of Trustee Muhleman, the recommendation was adopted and a refund ordered to be made to Mrs. Haller.

The City Attorney advised in regard to the claim of J. P. Lukens, who asked for a readjustment of the tax levied against a portion of his property, to the effect that as the City Attorney advised him that the property was assessed according to its value, he is of the opinion that Mr. Lukens is not entitled to a refund, merely on account of a technical error in the description of the property. On motion of Trustee Muhleman, this matter was continued for one week.

The Manager of the Public Service Department made a statement in regard to the use of water by the City belonging to water owners on the east side of the City. According to the statement of the Manager of the Public Service Department, that department is using 675 shares of water belonging to various owners for which no payment is made, although the said owners are paying annually on this water the water rate of 20c a share charged them by the Verdugo Canyon Water Co. The department also has the use of 261 shares on which it pays the 20c rate per share levied by the Verdugo Canyon Water Co. Altogether the Public Service Department has secured the use of 937 shares of Verdugo Canyon water by the payment of $52.00 per year. The Manager stated that it is the desire of the department to deal justly with these water owners, but it has been a difficult matter to handle equitably.

A motion submitted by Trustee Muhleman was adopted as follows: That the City of Glendale rent any or all of the shares of water in the Verdugo Canyon which the owners desire to so dispose of, for the year 1919, at the rate of 50c per share for the year, the owners of the water to pay the Verdugo Canyon pipe rate.

The Finance Committee, by Trustee Shaw, submitted the following: "The Finance Committee recommends that the sum of $10.00 per month for the months of March, April, May and June, 1919, be appropriated for the support of the Glendale Community Sing, the same to be charged to the budget allowance for advertising and promotion; and that the matter of further contributions be deferred until the budget for the next fiscal year is taken up," which, on motion of Trustee Shaw, was adopted.

The Committee appointed at the last meeting consisting of Trustees Shaw and Muhleman, to prepare a memorial in recognition of service rendered to the country, by the citizens of Glendale who had responded to the call, submitted a lithographed certificate which was, on motion of Trustee Henry, adopted and ordered to be submitted to the printer.

PLANNED TO ASSASSINATE TWO

RADICAL CONSPIRATORS IN SWITZERLAND INTENDED TO KILL WILSON AS WELL AS CLEMENCEAU

(Special Service to Glendale Evening News)

Paris, Feb. 21.—Rumors were circulated here today that several plots have been unearthed in Switzerland in connection with the attack on Premier Clemenceau. Switzerland is considered a hot-bed of extremist conspiracy.

One report was that radicals planned to assassinate both Premier Clemenceau and President Wilson, but had failed because the watchfulness of the police had prevented the conspirators from leaving Switzerland. None of the rumors were substantiated.

Clemenceau's physicians announced this morning that he will be out of danger in forty-eight hours. The crisis is expected Sunday.

Clemenceau told President Poincaire that he expected to return to work in four or five days.

From the premier's residence it was announced today that he is getting along as well as possible. Clemenceau was out on a balcony of his residence for a short time yesterday.

REFERENDUM OF LEAGUE CONSTITUTION

SENATOR BORAH DECLARES IT AMOUNTS TO AN ALTERATION OF AMERICAN CONSTITUTION

(Special Service to Glendale Evening News)

Washington, Feb. 21.—Senator Sherman of Illinois today introduced a resolution into the Senate requesting the President to refrain from discussing the league of nations in Boston.

The resolution declared it was the sense of the Senate that "it is unwise, undiplomatic and calculated to promote misunderstanding between the treaty-making powers" for the President to discuss the league publicly before giving the Senate foreign relations committee all the information at his command.

Senator Borah, speaking in the Senate, demanded that the league of nations' constitution be submitted to the people for a vote. He declared that it involved what amounts to an alteration of the American constitution and that such matters should be handled by means of a referendum. He admitted that a referendum involved difficulties, but declared such difficulties would be disproportionate to the importance of the questions involved.

Referring to ex-President Taft's statement that the league of nations does not interfere with the Monroe Doctrine, Borah declared the statement is "misleading and not founded on fact."

PRESIDENT TO SPEAK IN BOSTON

WILL ARRIVE MONDAY AND DEVOTE TUESDAY TO OFFICIAL BUSINESS, RETURNING TO FRANCE MARCH 5

(Special Service to Glendale Evening News)

Washington, Feb. 21.—Secretary Tumulty today announced that President Wilson probably will speak in Boston Monday afternoon. A wireless message from the President indicated that he would arrive in Boston Monday morning and that he wanted to leave for Washington early Monday night so he could devote all of Tuesday to executive business.

CORPORAL McELROY HERE

To the great joy of his parents, Mr. and Mrs. W. W. McElroy, Corporal Harold McElroy arrived this morning from San Francisco on a 20-day furlough. He is decidedly glad to be here and once more behold his relatives and old friends. He says, in commenting on the circumstances, "while I have been away as long before, it never seemed so long." It will be remembered that he was taken down with influenza soon after his arrival this side of the water and sent to an eastern hospital. As Uncle Sam does not release men from hospitals until they are completely restored, Corporal McElroy will be required to report to the Presidio at the end of his furlough, but hopes to be permanently discharged soon after that.

ELLIS THOMAS WELCOMED

A reception for the homecoming of Ellis E. Thomas was given by his mother at the home of his grandparents, Mr. and Mrs. Keim, 342 West California Avenue, on Tuesday evening, Feb. 18, this also being his birthday. Flowers and decorations were in yellow.

A happy crowd of young people, schoolmates and friends, gathered to honor and welcome him home from the naval training station near San Francisco, where he enlisted as yeoman seven months ago. He also was in the government employ for ten months before enlisting.

Among outside invited guests were Miss Violet Hutchinson of Alhambra, Miss Lois Thorne of Pasadena, Mr. Archie Mercer, Mr. Milford Phillips of Los Angeles.

A royal good time was spent in games, music and singing until a late hour.

WEATHER FORECAST: Fair tonight and Saturday. Light to heavy frost Saturday morning.

RED CROSS DOINGS

KNITTING HAS BEEN RESUMED —ODDS AND ENDS OF STOCK HAVE BEEN SHIPPED

Officials of the Glendale Red Cross Chapter were much pleased with the response to their appeal for knitters to resume work for the organization. The Knitting Department, which was reopened Thursday under direction of Mrs. C. L. Bullard, who will act as chairman temporarily, had many visitors who carried away yarn for socks and mufflers. The yarn for sweaters has not yet arrived, which was a disappointment to some who prefer that kind of work. It will probably get here from San Francisco within the next few days. Mrs. Helen Campbell, who was formerly the chairman, is prevented by home duties from taking up the work again at present.

Thursday a small shipment was made of odds and ends of garments which have accumulated in the store rooms of the Chapter. For the most part they were articles which had failed to exactly conform to the standards of measurement. Some had been donated by those who made them, others had been made under original instructions which have since been changed. All, however, were warm and serviceable, and the Pacific Coast Division has found that it can make use of them if a hem does happen to be half an inch narrower than was prescribed, and the refugees to whom they are to be sent will never know the difference.

PILGRIM'S PROGRESS, ILLUSTRATED

That the children of this generation may have a chance to get acquainted with that fine old book, "Bunyan's Pilgrim's Progress," which is considered out of date now though once upon a time it was sure to have a place in every child's library, stereopticon talks upon it are to be given at the First Presbyterian Church of Glendale at Sunday evening services from February 23d to March 23d. They will begin with an introductory sermon on the "Life of John Bunyan," and the subsequent "Talks" will be illustrated with views beautifully colored. The themes will be: March 2d, "Pilgrim and His Burden;" March 9th, "Beelzebub's Poisoned Arrow;" March 16th, "Vanity Fair;" March 23d, "The Celestial City."

GRADUATION PARTY

The long-talked of school party at which the young people about to be graduated from the Intermediate and the Cerritos schools will be special guests, will take place this (Friday) evening at the Intermediate School. Mr. Harwood, principal of the Cerritos School, and Mrs. Curtis, his fellow teacher, will be guests, also Superintendent Richardson D. White, Misses Elizabeth and Frances Jackson of the Intermediate. Several mothers will be present as chaperones, the list including Mesdames Holland, Bolen, Levinge and Franklin.

Games and music will constitute the chief diversions of the evening and ice-cream and cake will be served as refreshments.

LIGHT FINGERED TOURISTS

Chief Lampert, of the Police Department, reports a fresh influx of petty thieves, the well-dressed variety, that travels on the street cars. They are the thieves who gain access to a house or apartment on some pretext and if they have opportunity lift small valuables. He is repeating his warning to householders to keep their outside doors locked. It is his theory that the increase of this sort of crime is due to fresh arrivals of light-fingered tourists from Eastern cities who always spend a portion of the year on this coast, and who come as regularly as the millionaires. He says the hobos who travel "brake-beam" and who live in camps in the washes are comparatively innocent and do little harm. It is the higher-ups who do not live so close to nature's heart that the police have to watch most closely.

RECEPTION FOR NEW MEMBERS

Members of the Presbyterian Church gave a reception Thursday evening for the twenty-three new members received into the church last Sunday. The A to E's had charge of the evening and made it a most delightful affair, with their decorations, good program, dainty refreshments and genial sociability. The receptions for new members are held every quarter in connection with the Communion service and are always largely attended and greatly enjoyed.

FORD AGENCY

LIEUT. JESSE E. SMITH RETURNS TO HIS OLD JOB AS AN AUTO DISTRIBUTOR

It is interesting to know that in every little town and city all over the United States, reconstruction is quietly going on as the boys return from war and fit into their old niches in the community. The Evening News is permitted to release information of one such reconstruction in Glendale in which Lieut. Jesse Smith is taking over the Ford Agency which he relinquished wnen he left some months ago to answer the call to the colors. The lieutenant or Jesse "Ford" Smith as he is known among his friends, states that his entire time and energies will be directed toward the perfecting of his organization so that the most efficient co-operative and courteous Ford service may be given his friends and patrons. His name is almost synonymous with "Ford" in Glendale, and it will seem very natural to see him at the old stand. Messrs. Walker, Wilde & McFadden, who have conducted the agency in the absence of Lieut. Smith, have not yet announced their plans.

UP IN THE SNOW LINE

Mr. and Mrs. R. A. Siple, who left two weeks ago for their deciduous fruit ranch on "The Mile High Range" at Belmont, are having quite a taste of winter as they have had several snowfalls recently. Their orchards include 65 acres of apples, ten of pears and ten of cherries. Their old home at 373 Doran street is occupied by their daughter and son-in-law, Mr. and Mrs. Staples. The Siples expect to spend their winters when they can best be spared from their ranch, in Glendale, so they will not be out of touch with their friends.

AFTERNOON OF BRIDGE

MRS. JAMES EWINS ENTERTAINS FOR BRIDES AND OTHER OLD FRIENDS

Mrs. James Ewins, of 615 South Verdugo Road, was hostess at one of the most elaborate social affairs which has been given in Glendale in many months. It was given in honor of a group of old friends, the special honorees being Mrs. George Prexton of Wyoming, Mrs. Eldridge Prexton and Mrs. George Hill, the matrons last mentioned being brides and special friends of Miss Edith Ewins. Guests from Los Angeles were: Mesdames George Hill, George Prexton, Eldridge Prexton, Mrs. Helpling, Mrs. Vincent Hannon, Mrs. Cartier, Mrs. Charles Wood, Mrs. Clyne and Mrs. Connors. Glendale guests were: Mrs. Herman Nelson, Mrs. John Robert White, Mrs. Henry, Mrs. Pearl Keller, Mrs. Peter Ferry, Mrs. O'Brien, Mrs. McLafferty, Mrs. Genevieve McLafferty, Misses Edith, Alice and Gertrude Ewins and Jack Ewins.

The afternoon was devoted for the most part to bridge whist, for which prizes were given, the first prize being won by Mrs. Nelson, the consolation favor by Mrs. Ferry.

But there were other delightfully entertaining features also. Several charming vocal numbers were given by Mrs. Eldridge Prexton and Miss Edith Ewins, and there was also fancy dancing by pupils of the Pearl Keller school which greatly delighted all guests, especially those from abroad.

Delicious refreshments had been provided by the hostess and while these were being served nine little pupils of the school gave a ballet and military dance in costume, which was warmly applauded. Solo dances were also given by the following little pupils: Vivian Nay, Merna Kahler, Dorothy Dutton, Margery Hart, Edward Ewins, Jennie and Glen Hitchcock, Florence Rattray, Doris Cook and Arline Yeakle, who did some very beautiful toe dancing.

A very Frenchy pink and blue color scheme was carried out in floral decorations and refreshment appointments, rose carnations and violets being effectively used for the purpose.

Mrs. Ewins was a guest Thursday at a luncheon given by Mrs. Clyne of Los Angeles for the same special guests, who are receiving considerable attention from old friends now residing in Los Angeles.

Mrs. Shives Mitchell, of King City, is a guest at the home of her mother, Mrs. Ella W. Richardson. This is her first visit home since her marriage and she spent the day Thursday informally receiving the Mitchell and Richardson families.

Frank Echols, of Roberts & Echols, and Harry Hall left Thursday for a fishing trip on the Ventura River. They planned to be back today.

ANNUAL BANQUET

The Live Cole Class of the Central Christian Church enjoyed its annual banquet Thursday evening. It was at the church and covers were laid for about thirty-five. Homer Miller distinguished himself as toastmaster and wise and witty after-dinner speeches were made by the pastor and teacher of the class, Rev. Clifford Cole, and by Miss Florence Heacock, Willard Learned, Robert Gray and Mrs. A. A. Smith.

Mrs. G. J. Rogers, of Montreal, is visiting her sister, Mrs. Cowan, and niece, Mrs. Charles A. Parker, 220 West Chestnut street. Mrs. Rogers will spend several months in California.

Answers to Correspondents

Question:

Dear Mr. Booth:—The reason I have not had any of your coffee for two or three weeks is, I got some from another party and got stung. He said it was just as good as yours, but to tell you the truth, we could not drink the nasty stuff; it made us all sick. Doctor thought it was the flu we had. How do you account for it, because we thought all coffee was the same, but we don't seem to enjoy any coffee so well as yours?

Answer:

My Dear Sir:—It's a wonder that any one of you is alive to tell the tale, after drinking any other coffee than mine. There's as much difference between some coffees as there is between cheese and chalk. The secret is in the blend. So many solicitors and peddlers go around misrepresenting things, about taking the poison out and other fairy tales, just to obtain an order. You never see that party again; he does not care what kind of rubbish is sent you so long as he gets his 50 per cent commission. Buy your coffee from me. You can depend on the quality, and the price is right:

30c, 35c, 40c and 45c pound.

No More Days Of Less

Meatless, heatless, wheatless are days of the past; but the thrift born of them is with us to stay.

To demand the utmost for a dollar is one great lesson the world has learned. Along with other days of less, it has cancelled days of less service.

Service has always been the Goodrich measure of the value of tires; that is, what a tire proves itself worth you in service on your car, and on the road.

You see promise of service in the burly, full rounded bodies of Goodrich Service Value Tires; and their thicker SAFETY TREADS, extra wide to fortify the sidewall against rut grinding.

You get fulfillment of promised *service value* in their dependability and durability wherever you take them.
